

LGBTI Manifesto

1

We request the adoption of measures to define and monitor administrative resilience in relation to heterosexual biases in management methods at all levels.

2

We request innovative approaches in the conceptualization, implementation, and evaluation of LGBTI policy.

3

We request the establishment of a system of state statistics for the collection of data.

4

We request legislative reforms.

5

We request that access to justice for LGBTI people is made meaningful.

6

We request that access to health and healthcare for the LGBTI community be made possible.

7

We request that social policy for the LGBTI community is made real.

8

We request that discrimination against LGBTI persons is reduced and stopped in access to employment and in the workplace.

9

We request LGBTI-inclusive curricula.

10

We request tougher actions against discrimination and violence directed towards the LGBTI community.

11

We request the Government's support for the social acceptance of the LGBTI community.

12

We request the implementation of the UN Agenda 2030 and the Sustainable Development Goals.
